

HELP US TO DO MORE

Did you know Breadshare has a voucher scheme?

You donate any amount from £50 to Breadshare to help achieve our social objectives and we will give you 7.5% p.a. interest on your investment for the next 20 years.

Interest is paid every 6 months in the form of Breadshare vouchers which can then be exchanged for our Real Bread at any of our shops or market stalls.

REAL BREAD FOR EVERYONE

What do we do with the money?

Every donation helps us to teach more people about slow fermented bread made without additives. Whether its through standing at market stalls, holding workshops or talking to other community groups. We also donate any leftover bread to organisations like the Real Junk Food Project and Fareshare to name a few. We also work 7 days a week making delicious and healthy, slow fermented bread.

Email us today invest@breadshare.co.uk
